

#Person1#: Is there a city where it's always warm? #Person2#: Yes, there are many cities where it's almost always warm. San Diego, for example. #Person1#: Are there any other cities where it's always hot? #Person2#: Many. Most of the cities in the southern part of the United States are hot all year. #Person1#: But why do so many people live there? #Person2#: Most people grow accustomed to the climate, but there are many others who complain about it all the time. #Person1#: Are there any cities where it rains a lot? #Person2#: Several. Two good examples are Seattle, in the state of Washington, and Portland, Oregon. #Person1#: Tell us about some cold cities. #Person2#: In the north there are many cities which are very cold in the winter. Boston and Chicago are two of them. #Person1#: Is it always cold in Chicago and Boston? #Person2#: Oh, no. On the contrary, there are many beautiful days, especially in the spring and fall.
